

Dance Wear

Dance wear is required for all classes. All dancers should wear leotards and tights to every class. Ballet skirts that are connected to leotards (*NO unattached skirts or tutus*) & form fitting shorts and leggings are options. No sweatpants, sweatshirts, or other baggy clothing are permitted in any class. In all classes hair should be securely pulled back off of face or neck.

***All dancers must own at least one, plain, solid black leotard that they may be asked to wear to class or other events for special occasions.*

Please refer to the "Studio Polices" tab on our website for more information regarding dress code.

Shoes

Please refer to the "Studio Policies" tab on our website for a full list of dance shoes required, organized by each individual class.

Please only keep dance shoes in your child's dance bags. Please do NOT store street/outside shoes, jackets, & other items in dance bags. This clutters the bag. You may keep these items in the waiting room areas of either studio A or B. Thank you.

- A late fee of \$5 per week will be charged if tuition is not paid.
- April and May (full amount for April and 1/2 for May) tuition is due the first week in April, paid in full before Spring Recital costumes are passed out.

Class Volume Discount A class volume discount will be applied for every additional class your dancer(s) chose to take.

Cancellations

The studio may not close for snow days/other weather regardless of area school closings, as many times the roads are clear and safe by 2:30 pm. If in doubt, call the studio one hour in advance of your lesson for a voicemail recording on whether or not class will meet. Please also refer to emails sent out by the studio as well as social media posts to stay up to date on potential class cancellations.

Drop Off/Pick Up at the Studio

Please follow the signs in the studio parking lot. Enter through South side and exit through North side. Drive cautiously for the safety of those coming in and out of the studio. If the dance studio lot is too full, we have permission to park in the Century Link Lot. The dance studio will open 15 minutes prior to class. Dancers are not to enter the studio until their class begins.

Attendance

Good attendance is imperative, as absences and tardiness can hold back the entire class. Please make the extra effort to have your child at every class. Classes during the last four weeks of the dance year and all rehearsals are mandatory to perform in the Spring Dance Recital. This rule also applies to performances of The Nutcracker and other studio performances.
